SUNDAY, JUNE 15.

Subject: "Jacob Before Pharaoh."
Gen. xli:28; xlii:12, 28-31.

Golden Text: "To them that love God all things work together for good." Rom. viii:28.

1. Verse 28—How do you account for the fact that in most families of boys, with the same parentage and environment, that one or two stand out when compared with the rest conspicuous for leadership and ability?

2. How old was Jacob when he emigrated with his family to Goshen, in Egypt, and how many of them went there?

3. Verse 29—Women kiss and embrace each other, fathers embrace their younger sons and daughters, why, therefore, is it not fitting and right for men who love one another to do the same thing? (This is one of the questions which may be answered in writing by members of the club.)

4. Verse 30—How would you describe the feelings of Jacob on meeting Joseph and the great emotion which made him want to die?

5. Would you say that very good old men, when their hearts are filled with joy, would prefer to die?

6. Verses 31-34—In what way can you show the wisdom of Joseph in informing Pharaoh of the arrival of his father and brethren?

7. What particular significance was there in being careful to tell Pharaoh that they were shepherds?

8. Why were shepherds "an abomination unto the Egyptians?"

9. Chapter xlii:1-2—On what principle would Joseph be likely to select the five brothers to represent the rest before Pharaoh?

10. Would Joseph's selection be any reflection on the other brothers who were not selected to appear before Pharaoh?

11. Of two brothers, both good men and equal in industry, one with twice the ability of the other, which is entitled to the greater praise and why?

12. Verses 3-4—Providing it is honest, why should no man be ashamed of his occupation?

13. What policy had the five brothers in mind when they asked Pharaoh for flocks of sheep?

14. Verses 5-6—What motives were at work in Pharaoh, or what influence was being brought to bear on him to stir such great generosity in him?

15. Which was under the greater obligation to the other, and why, Pharaoh or Joseph?

16. Verses 7-10—What do you understand by the expression "and Jacob blessed Pharaoh," and what effect would such a blessing have?

17. Has a man of God to-day the same authority to bless another man as Jacob had, and will the blessing be equally effective? Give your reasons.

18. Verses 11-12—Was Joseph under any moral or other obligation to act this generous part toward his father and brethren? Why?

19. When is your opinion of the man, who with the ability to help permits his parents and members of their family to suffer want?

20. Verses 28-31—Why is death to an aged good man as natural as going to sleep when we are tired?

21. How do you account for it that Jacob was not content until Joseph had sworn to bury him in the burying ground of his fathers?

MADE \$10,000 AT BEGGING.

Now Out for Another \$10,000—Owns Big Ranch in South Dakota.

Atlantic City, N. J., June 5.—E. L. Jones, who gave his address as Yankton, S. D., was found begging on the boardwalk to-day. Ordered away he went to Atlantic avenue, and it was there that Detective Charles Apple found him seated on the sidewalk.

Jones has only one leg, and can contort that so that he looks like a hopeless cripple. He let policemen lift him into the patrol wagon and in court he was fined \$20.

"I'm satisfied if you are," he said. "Took in over a hundred right here. Have a smoke," and he pulled out a roll of bills and some good cigars. Next he showed the police a cancelled mortgage for \$10,000, dated 1908.

"I made that \$10,000 on a tour through the West on a begging trip, and paid off the balance on a \$15,000 ranch I own near Yankton," he explained. "My trip this time is to get \$10,000 more to buy some new stock. I've been on the road for five months and I've got more than half the money."

Jones was put on the first out-bound train and warned not to return.

Bryan Proclaims 17th Amendment.

Washington, June 1.—In the presence of a notable company, including many legislators who had to do with its adoption, Secretary Bryan yesterday signed the formal announcement of the 17th amendment to the constitution, providing for the direct election of United States Senators.

Former Representative Harry St. George Tucker, of Virginia, chairman of a committee of the 52d Congress, having charge of the first direct election of Senators that passed the House; Representative Rucker, of Missouri, chairman of the committee in the 62d Congress, which had charge of the resolution which finally was adopted, and Senator Borah, who championed the change in the Senate, were present, as was Mrs. Bryan.

Secretary Bryan used four pens to sign the proclamation. The first, which he used to write "William," went to Mr. Tucker; the second, with which he wrote "Jennings," went to Mr. Rucker; the third, with which he wrote "Bryan," he kept for himself, and that with which he wrote the date he delivered to Senator Borah.

To those assembled Mr. Bryan expressed his gratification at being the official to proclaim the constitutional change.

Long Hike for Boy Scouts.

New York, June 4.—A tramp from New York to San Francisco by a company of 25 American Boy Scouts is being arranged by Capt. Ernest Golimedo, national director of the organization. The start is expected to be made about June 15. Recruits will be enlisted along the way. A military automobile with necessary equipment for camping will accompany the Scouts. There also will be a medical man along to look after the health of the boys.

MRS. T. W. HINTON DEAD.

Estimable Woman Who Was Well Known to Many in Oconee.

Seneca, R. F. D. No. 4, June 4.—Editor Keowee Courier: I send you the following notice, which will be of interest to a large number of your readers:

The Oconee friends of J. C. Miller, of Carnesville, Ga., will sympathize with him in the death of his eldest daughter, Mrs. Lola Miller Hinton, which occurred at her home in Comer, Ga., on the 12th of May, 1913. Mrs. Hinton spent her childhood near Westminster, and was left motherless at ten years of age, the care of six brothers and sisters devolving upon her, and well did she perform her duty. She developed into a most lovable woman, numbering her friends by the score. She was married several years ago to Dr. T. W. Hinton, to whom is extended the sympathy of many friends. Mrs. Hinton was widely connected in this State, being a descendant of the Englishman, "Printer John Miller," noted for his connection with the famous "Junius Letters." She was buried at Comer, Ga., after appropriate services by the pastor of the Presbyterian church, of which church she had been a life-long member. D.

PICKENS HONORS OLD SOLDIERS.

Large Crowd Attended—The Day Was a Most Enjoyable One.

Pickens, June 5.—A large crowd of Pickens county people came to Pickens Tuesday to pay tribute to the memory of Jefferson Davis, the first and only President of the Confederate States, and to the old soldiers of the Lost Cause.

Each year on June 3d the local chapter of Daughters of the Confederacy arrange a reunion for the old soldiers of this county and have appropriate ceremonies for the occasion. The Pickens chapter is one of the most loyal chapters of Daughters in existence.

At 10.30 o'clock Tuesday morning the Pickens band marched up main street, followed by the Daughters and old soldiers, and at 11 o'clock Judge Bowman delivered a fine address in the court house, after which crosses of honor were pinned on the coats of the veterans entitled to them. Short talks were made by J. E. Boggs, C. T. Martin, M. L. Bonham and W. B. Allgood. Rev. D. W. Hott opened the ceremonies with prayer and Rev. John T. Lewis pronounced the benediction. After the exercises in the court house a bountiful dinner was spread on the long table in the court house grove.

Lincoln Penny Brenner Married.

New York, June 5.—Miss Anna Reed, head worker of the Recreation Home, No. 186 Chrystie street, was married to Victor David Brenner, sculptor and medalist, to-day at the residence of Dr. Abraham L. Walparst, Nineteenth street.

Mr. Brenner has become widely known through his two national works—the Lincoln cent and the Panama Canal medal. The couple met last October at a meeting of the Judeans' Society, a literary and art league, in the Plaza Hotel, this city.

Woman's Dirt Proves Fatal.

Buc, France, June 5.—Auguste Berard, a French aviator, and a passenger, Mme. Rose Amicel, were killed to-day under unusual circumstances while making a flight at the aerodrome here.

When the aeroplane was at a considerable altitude, Mme. Amicel's skirt became entangled in the lever connections. Instantly the pilot lost control and the machine plunged to earth and was shattered.

Herbert Gives Bond.

Columbia, June 5.—C. J. Herbert, charged with attempt to embezzle \$98,000 in connection with the Seminole Securities Company, who has been fighting requisition in the courts of Tennessee for several years, came back to South Carolina to-night and gave bond for \$5,000 for his appearance at trial in Richland county.

Ex-Ambassador's Wife Arrested.

Bridgeport, Conn., June 4.—Charged with homicide, Mrs. S. L. Woodford, wife of the former United States Ambassador to Spain, was arrested to-day and placed under \$2,500 bond, because the automobile she was learning to drive ran down and killed Wm. Stanhouse, a laborer, in Fairfield, near here. Mrs. Woodford and her chauffeur were both arrested.

Tried to Wipe Out Entire Family.

Canton, Ohio, June 5.—Enraged because his wife had left him, Robt. Roach, aged 27, started in to destroy his family with a gun to-night. He shot and killed his mother-in-law, sister-in-law and 16-months-old baby, and when a policeman tried to arrest him, seriously wounded him.

Greenville Man Honored.

San Francisco, June 4.—With the election of an executive board the Brotherhood of Railway Trainmen today concluded its most important business. The board of insurance was elected and included Walter L. Moorehead, of Greenville, S. C.

From Jet Black to White.

Sedalia, Mo., June 4.—The hair of F. A. Roach, train dispatcher here, turned from jet black to white when he discovered he had sent orders that caused a wreck. He has collapsed physically.

Progressive Farmer: Forage crops are the best money crops in the South. As large money returns can be made per acre, they cost no more, or less, than our so-called money crops, and their production may be made to leave the land in better shape than they found it. Lime, phosphorus and legumes are a winning combination.

DR. S. Y. JAMESON RESIGNS.

President of Mercer University is Forced Out by Resolution.

Macon, Ga., June 4.—Dr. S. Y. Jameson to-day tendered to the board of trustees his resignation as president of Mercer University, one of the best known denominational institutions in the South. The prudential committee of the university, with the exception of its constitutional members, also resigned. The resignations were requested in resolutions adopted by the trustees at a meeting held last night.

This action by Dr. Jameson and the prudential committee is declared to be the climax of friction which is said to have existed for some time between Dr. Jameson and the committee on one side and a majority of the members of the board of trustees on the other.

It is said that the disagreement between Dr. Jameson and the trustees was augmented by the president's action in regard to the fraternal organizations at the university and by alleged ruptures with members of the faculty.

Prof. J. P. Sellers, a member of the faculty of Mercer University, was elected temporary president by the board of trustees.

Snakes Overrun Farmer's Home.

Glendale, Iowa, June 4.—The premises of William Horton, near this place, are infested with snakes to such an extent that he and his family are in danger of being driven from their home. The snakes are a spotted variety of blue racer, from two to four feet long.

Last Summer Mr. Horton had a similar siege and killed nearly a hundred of the reptiles.

The chief source of the snakes seems to be in the family well, which stands near the back door, and from which the family has for many years drawn its water for drinking purposes. The serpents even have entered the house, one big one having been killed there this summer.

So offensive became the old family well on account of the swarming reptiles that it became necessary to build a cistern for drinking water.

Mr. Horton's little children are kept out of the yard for fear that they will be bitten.

One Erskine Boy Shot.

Donalds, June 4.—For some time pupils at Erskine College have been annoying citizens of Due West by trespassing. Last week Prof. Randolph, anticipating a call, had Police-man Young guard his home. In his absence some of the boys came and were halted by Young. When they ran Young shot and a senior, Bigham, fell shot in the leg.

As a result three boys, White, Barksdale and McGill, were fined heavily by the mayor. Three others, Bigham, Youngblood and Lumby, are yet to appear. No action has yet been taken by the faculty.

Dead of Two Armies Cremated.

Brownsville, Texas, June 5.—The bodies of 110 soldiers killed in the fighting incident to the capture of Matamoros by Constitutionalists Tuesday and Wednesday were piled in two heaps, covered with wood to-day and the torch applied. Cremation was decided upon as the quickest way of disposing of the bodies. The dead of both forces were placed in the pyre and no word of prayer or funeral services was said.

Permission was given by United States Consul Johnson to search the roof of the American consulate for bodies, a few men having been reported killed there, but a search failed to disclose any.

Women Must Wear Underskirts.

Indianapolis, Ind., June 5.—Women in Indianapolis who wear the new style split skirt also must wear underskirts, and the traffic squad of the police force has been asked to enforce the order, which was given out by Superintendent of Police Hyland. The order was issued after a letter signed "The Ladies," and which read as follows:

"We, as the ladies, ask that you prohibit the wearing of split skirts without underskirts. We hope that you will take this seriously."

Bad Spells

"I suffered, during girlhood, from womanly weakness," writes Mrs. Mollie Navy, of Walnut, N. C. "At last, I was almost bed-ridden, and had to give up. We had three doctors. All the time, I was getting worse. I had bad spells, that lasted from 7 to 28 days. In one week, after I gave Cardui a trial, I could eat, sleep, and joke, as well as anybody. In 8 weeks, I was well. I had been an invalid for 5 weary years! Cardui relieved me, when everything else failed."

TAKE CARDUI The Woman's Tonic

If you are weak and ailing, think what it would mean, to you, to recover as quickly as Mrs. Navy did. For more than 50 years, this purely vegetable, tonic remedy, for women, has been used by thousands of weak and ailing sufferers. They found it of real value in relieving their aches and pains. Why suffer longer? A remedy that has relieved and helped so many, is ready, at the nearest drug store, for use, at once, by you. Try it, today.

EXPERIENCE OF MOTHERHOOD

Advice to Expectant Mothers

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
